In accordance with the most current adopted edition of the International Fire Code, Section 307;

**General.** A person shall not kindle or maintain or authorize to be kindled or maintained, any open burning unless conducted and approved in accordance with this permit. A permit is not required for a recreational fire so long as it meets all specifications listed in the fire code.  
**Prohibited open burning.** Open burning shall be prohibited when atmospheric conditions or local circumstances make such fires hazardous.  
**Permit required.** A permit shall be obtained from the fire code official prior to kindling a fire for recognized silvicultural or range or wildlife management practices, prevention or control of disease or pests, or a bonfire. Application for such approval shall only be presented by and permits issued to the owner of the land upon which the fire is to be kindled.

The following conditions shall be adhered to completely. Failure to do so may result in the issuance of a fine by the Fire Chief or his designated representative from the Bonneville County Fire District. This fine is not to exceed \$300.00 for each offense.

- \* This permit is valid for seven days; the permit holder must contact the City of Ammon at (208) 612-4011 for additional extensions.
- \* **Controlled burning shall not be conducted within 50 feet of any building or structure, including fences.**
- \* **Prior to burning, the Responsible Party and permit holder shall call Bonneville County Fire District at (208) 360-1283 and notify them when the controlled burn is to begin.**
- \* **If you feel the fire is "out of control" at any time, call 9-1-1 immediately!**
- \* **All controlled burning shall be conducted during daylight hours only.**
- \* **All controlled burning shall be prohibited when wind speed is in excess of ten (10) miles per hour.**
- \* When all burning has been completed, the Responsible Party\* shall call Bonneville County Fire District at (208) 360-1283 and notify them that the controlled burn is finished.
- \* All controlled burns shall be attended at all times; unattended burning shall be grounds for revocation of this permit and the "controlled" burn shall be extinguished.
- \* No material shall be burned that would cause or create a dense smoke, offensive odor, or nuisance to anyone in the proximity of the controlled burn. The following items shall not be burned within the City of Ammon: garbage, rubber/tires, products made of or containing plastic or rubber, grass clippings, animal waste, hay, straw, oil, paint, painted or treated wood including railroad ties. This is not an all-inclusive list; other items may be determined to be out of compliance by the Fire Chief or his designee if called on to investigate or evaluate a potential nuisance or hazardous situation.
- \* Materials to be burned must have come from the property of the permit holder. If in doubt, contact Bonneville County Fire District at (208) 360-1283 prior to burning.
- \* A garden hose connected to a water supply or other fire extinguishing equipment shall be readily available during the controlled burn period.
- \* Permit holders shall adhere to burn ban periods as they are issued by Bonneville County Fire District.

**NOTE: The Fire Chief or his designated representative is authorized to require any open burning to be extinguished if it is determined the smoke emissions are offensive to surrounding property owners or other dangers are present that make burning unsafe when certain hazardous conditions exist.**
