

**BONNEVILLE COUNTY FIRE PROTECTION DISTRICT NO. 1**

**MINUTES OF SPECIAL MEETING**

**Wednesday, July 22, 2020**

The Bonneville County Fire Protection District No. 1 ("Fire District") held a special meeting of Commissioners on Wednesday, July 22, 2020 at the hour of 11:00 o'clock a.m. at the office of Nelson Hall Parry Tucker, PLLC, located at 490 Memorial Drive, Suite 200, Idaho Falls, Idaho 83404.

The following were present:

Commissioners Dan Gubler, David Long and Ralph Isom. Also present was: Stacy Hyde, Ammon Fire Chief; District Liaison, Dick Fowler; District accountant Terri Gazdik; and, District attorney, Doug Nelson.

The meeting was called to order at 11:07 a.m. and it was reported that a notice of the special meeting, including its time, place and purpose was posted on premises and at the County Courthouse.

The Commissioners, after motion duly made and accepted, unanimously passed and authorized the attached resolution.

It was discussed that attorney Doug Nelson and Liaison Dick Fowler are continuing to review with the Bonneville County Clerk, Bonneville County mapping office, the State of Idaho Secretary of State's office, the State of Idaho tax commission and others regarding the intended expansion of the number of District commissioners from 3 to 5 and will report on the same at a future meeting.

Chief Hyde stated that he is attending a meeting on Wednesday, August 5, 2020 with a health insurance broker to discuss fire employee health insurance coverage and costs. He also stated his intent to review the sick/vacation accrual policy and may make a request for inclusion of that matter as a discussion item for a future meeting of the commissioners.

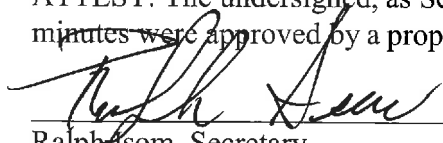

No further action or discussion took place and the meeting was adjourned by unanimous vote at 12:08 p.m.

Minutes approved the 11<sup>th</sup> day of August, 2020

  
Douglas R. Nelson, Assistant Secretary

  
Approved: Dan Gubler, Chair

ATTEST: The undersigned, as Secretary of the Fire District hereby attest that the foregoing minutes were approved by a proper vote of the Commissioners on August 11, 2020

## **BONNEVILLE COUNTY FIRE PROTECTION DISTRICT NO. 1**

(A Resolution Consenting to the Annexation of Real Property of Areas Embraced Within the City of Ammon into the Bonneville County Fire Protection District No 1.)

Dated July 22, 2020

A RESOLUTION ADOPTED BY THE BONNEVILLE COUNTY FIRE PROTECTION DISTRICT NO. 1, A FIRE DISTRICT OPERATING WITHIN THE BOUNDARIES OF A PORTION OF BONNEVILLE COUNTY, STATE OF IDAHO, AND MADE IN ACCORDANCE WITH IDAHO CODE, SECTION 31-1429, CONSENTING TO THE INCLUSION OF ALL AREAS (EXCEPTING MUNICIPAL CEMETERIES AS PROVIDED IN IDAHO CODE, SECTION 50-224) EMBRACED WITHIN THE LIMITS OF THE CITY OF AMMON BE INCLUDED WITHIN THE LIMITS OF THE BONNEVILLE COUNTY FIRE PROTECTION DISTRICT NO. 1 AND APPROVING A LEASE OF REAL PROPERTY, BUILDINGS AND EQUIPMENT.

WHEREAS, the City of Ammon, a municipal corporation located within the boundaries of Bonneville County, State of Idaho ("City"), has for many years operated a Fire Department for the purpose of providing fire protection, rescue and public safety to businesses and residents within the boundary limits of the City; and,

WHEREAS, the Bonneville County Fire Protection District No. 1 ("Fire District"), is a fire protection district established in accordance with Chapter 14, Section 31, Idaho Code and operating within areas located within the boundaries of Bonneville County, State of Idaho, to provide protection of property against fire and the preservation of life, and enforcement of any fire codes and other rules that are adopted by the state fire marshal pursuant to Chapter 2, Title 41, Idaho Code; and,

WHEREAS, the City has adopted its Resolution No 2020-008R dated July 16, 2020 requesting inclusion of property embraced within the boundary limits embraced within the City of Ammon to be included within the boundary limits of the Fire District; and,

WHEREAS, the Fire District is willing to approve and consent to the resolution for inclusion of all property embraced within the boundary of the City into the boundary limits of the Fire District; and,

WHEREAS, the City has acknowledged that the operation of adequate fire protection, rescue and public safety services provided by the Fire District to the businesses and residents of the City is dependant upon access to and use of certain buildings and equipment owned by the City; and,

WHEREAS, the Fire District recognizes that adequate fire protection and rescue response is dependent upon the use of dispatch services which the District wishes to pursue, including, without limitation, proximity dispatch/automatic call capabilities; and,

WHEREAS, the operation of fire protection and public safety services within the boundary limits of the City will require adequate fire and administrative personnel, and the Fire District has expressed its intention to offer employment to the current employees of the Ammon Fire Department for such purpose; and,

WHEREAS, the operation of adequate fire protection and public safety services within the boundary limits of the City will require certain technological equipment, such as computer, smart boards, cell phones, desk phones, laptops, radios, etc.; and,

WHEREAS, the Fire District has agreed to adopt and comply with the International Fire Code and the International Wildland Urban Interface Code.

NOW THEREFORE, be it hereby resolved by the Commissioners of the Fire District, as follows:

**Section 1.** The Commissioners find it is an appropriate and reasonable request made by the City of Ammon to seek adequate and stable funding and provide facilities for the provision of fire protection and life preserving services to the businesses, visitors, and residents of the City of Ammon, does hereby consent that any area now or hereafter embraced within the boundary limits of the City of Ammon be included with the boundary limits of the Bonneville County Fire Protection District No. 1.

**Section 2.** That certain Lease of Real Property, Buildings and Equipment and Operating Agreement, a copy of which is attached hereto, is approved and the Chairperson of the Commissioners of the Fire District, or his designee, shall be authorized to execute the same for and on behalf of the Fire District.

**Section 3.** That the Fire District shall offer employment to the current fire fighting, rescue and administrative personnel of the City fire department with equivalent compensation, benefits, job descriptions, subject to operational procedures and personnel policies as are currently in place with the City, with such employment being for a term of four (4) years from the commencement date of annexation and subject to the right of the District to terminate any employee "for cause".

**Section 4.** That the Fire District, as part of the process of annexation of the City into the boundary limits of the Fire District, shall act to increase the number of Fire District Commissioners to 5 in accordance with the terms and provisions of Idaho Code, Section 31-1410A.

**Section 5.** That this Resolution has been adopted and approved at a duly noticed and convened meeting of the commissioners of the Fire District.

**Section 6.** The Fire District hereby adopts and agrees to comply with the International Fire code and the International Wildland Urban Interface Code.

**Effective Date:**

This resolution shall be in full force and effect upon the execution of the attached lease as approved by the governing boards of the City and the Fire District, and shall take effect as of October 1, 2020.

**REAL PROPERTY, BUILDING and EQUIPMENT LEASE  
and  
OPERATING AGREEMENT  
(Ammon Fire Station)**

THIS REAL PROPERTY, BUILDING and EQUIPMENT LEASE and OPERATING AGREEMENT ("Agreement") is made to be effective the 1st day of October, 2020, between The City of Ammon, an Idaho municipal corporation ("City"), and The Bonneville County Fire Protection District No 1, an Idaho Fire Protection District created in accordance with Idaho Code, Chapter 14, Section 31 ("District").

1. **Demise.** City leases to District, and District leases from City, the premises described in Section 2 ("Premises") and the equipment and fire apparatus described in Section 3 ("Equipment") for the use described herein.

2. **Premises.** The Premises are located in the City of Ammon, County of Bonneville, State of Idaho and are more particularly described and illustrated, as follows:

*[Insert Exhibit "A" legal description / site plan]*

3. **Fire Apparatus and Equipment.** The Fire Apparatus and Equipment includes the fire engines, vehicles, fire apparatus and equipment as listed on the attached Exhibit "B". During the term of the Agreement the District shall maintain and/or replace such Fire Apparatus and Equipment in good working condition sufficient to operate a functioning fire suppression and public safety service at least commensurate with the level of service being provided by the Ammon Fire Department to businesses and residents embraced within the geographic boundaries of the City as the same are at the commencement of this Agreement and upon termination of the Agreement the District shall transfer all such items, including replacements and additions, to the City

*(Insert Exhibit "B" schedule of fire engines, vehicles and fire apparatus)*

4. **Personal Property.** As additional consideration for the execution of this Agreement the City shall transfer the personal property currently used in the daily operation of the Ammon Fire Department as described on the attached Exhibit "C". Such personal property is transferred in its present condition "AS IS" without warranty, express or implied, of any kind or nature. In the event of Termination of this Agreement all such personal property, including replacements, shall be returned to the City.

5. **Technology Equipment.** At the commencement of this Agreement the City agrees to transfer all technology equipment currently used in the daily operation of the Ammon Fire Department, as described in the attached Exhibit "D" to the District in its present condition, "AS IS", and without warranty, express or implied, of any kind or nature. Nevertheless, the District shall obtain, in its discretion and at its own cost and expense, a separate cell phone provider within 90

days of the effective date of this Agreement. During the Term of this Agreement the District shall be responsible for the maintenance and upkeep of the technology and equipment which been transferred to the District by the City as described in Exhibit "D". The technology equipment listed on Exhibit "D", or its replacements, shall be returned to the City in the event of Termination of this Agreement.

6. **Ammon Fiber Connection.** During the Term of this Agreement the City shall provide and maintain for the District, without additional cost, individual and separate fiber connections to the Fire Station and the Resident House. The District shall be responsible to obtain, at its own discretion and expense, an Internet service provider.

7. **Term.** The term of this Agreement shall commence on the effective date of the Agreement as above stated and shall continue on a year to year basis thereafter until terminated as herein provided.

8. **Rent and Operating Reserve.** During the term of this Agreement, District shall pay to City the sum of Ten Dollars (\$10.00) per year and otherwise perform the terms and covenants of this Agreement. The District represents that it intends to return the Premises, Fire Apparatus and Equipment, as improved, expanded or replaced for the purposes of this Agreement upon the Termination of the Agreement as herein described.

9. **Use.** The Premises and Equipment shall be used for a fire station, lodging of fire personnel, equipment and fire apparatus necessary to provide fire protection services, and to provide storage for fire vehicles and equipment, and for fire prevention and safety administrative services and training and for no other purpose without the prior written consent of City.

10. **Utilities and Garbage Service.** During the Term of this Agreement, District shall pay for all utility services used by District upon the Premises and for any utility connection or hook-up fees, including, without limitation, gas and electricity, garbage removal, sanitary and storm sewer, water and telephone services. To the extent that any utility or garbage services supplied to the Premises are provided by or billed directly to City, District shall reimburse City, within thirty (30) days after City's delivery to District of an invoice therefor, for that portion of such utility services which is attributable directly to District's use of the particular utility service.

11. **Possession of Premises.** City shall deliver possession of the Premises to District on October 1, 2020.

12. **District Improvements.** Subject to obtaining City's written consent for structural improvements (not to be unreasonably withheld), District, at its sole cost and expense, has the right, but not the obligation, prior to and during the Term to improve, alter and renovate the Premises in any manner which District deems necessary or desirable to adapt the same for the conduct of its operations, including, without limitation, painting, decorating, and installing partitions, floor coverings, wall coverings and light fixtures. Unless otherwise agreed in writing by the parties any

improvements, alterations and renovations to the Premises by District pursuant to this Section shall remain on the Premises upon the termination of this Agreement.

**13. District's Personal Property.** District, at its sole cost and expense, has the right, but not the obligation, to install, use, replace, and remove its personal property, such as, without limitation, telephone, and other communications equipment, machinery and office furniture used exclusively for the purposes of providing service as described herein. Upon the termination of this Agreement, District shall return to City, at City's request, any such items that are used exclusively to perform services described herein. The District shall have the right to remove other personal property from the Premises as it may from time to time determine.

**14. Repairs and Maintenance.** Repair and maintenance of the Premises shall be the responsibility of the District, including the following:

14.1 Repairs and maintenance of the roof and gutters, exterior walls (including painting), bearing walls, structural members, floor slabs, and foundation.

14.2 Repair of sidewalks, driveways, curbs, and parking areas.

14.3 Repair of interior walls, ceilings, doors, windows, and related hardware, light fixtures, switches, and wiring and plumbing in the Premises.

14.4 Any repairs necessitated by the negligence of District, its agents, employees, and invitees.

14.5 All maintenance and repair of the heating and air conditioning system and any repairs necessary because of improper maintenance.

14.6 All other repairs to the Premises which City is not required to make under this Section.

14.2.5 Maintenance of the lawn and landscaping located on the Premises.

**15. Insurance.**

**15.1 Property Insurance.** At all times during the Term, District, at its sole cost and expense, shall cause the Premises and the Fire Apparatus and Equipment to be fully and adequately insured. Such insurance shall include a Causes of Loss-Special Form in an amount not less than the full replacement cost of the Premises and Fire Apparatus/Equipment (currently \$3,497,451.00), with a standard inflation guard endorsement or, in the event the parties have agreed upon a fixed amount of insurance, with a fixed amount endorsement. Such insurance policy shall name both City and District as insured's, as their interests may appear.

**15.2 General Liability Insurance.** At all times during the Term, District, at its sole cost, shall maintain in full force and effect a general liability insurance policy for the Premises and Fire Apparatus/Equipment with \$3,000,000.00 combined single limit for bodily injury and property damage per occurrence.

**15.3 Worker's Compensation and Employer Liability Coverage.** District will procure and maintain worker's compensation insurance as required by law.

**15.4 Evidence of Insurance.** District shall, upon request, provide City with adequate evidence of the continued existence of applicable insurance coverage. To the extent reasonably available to District, all insurance required to be carried by District hereunder shall contain a provision that the insurance company or its designee must give City written notice (i) thirty (30) days before any such coverage is not renewed by the insurance company and (ii) within ten (10) days after cancellation of coverage by the insurance company. In addition, if any insurance policy required to be carried by District hereunder is not to be immediately replaced without lapse in coverage when it expires, exhausts its limits, or is to be cancelled, District shall give City prompt written notice upon actual or constructive knowledge of such condition.

**15.5 District Invalidation.** District shall not do or permit anything to be done which invalidates any such insurance policies required by this Agreement.

**16. Damage, Repair and Restoration.** In the event that the Premises shall be damaged or destroyed by fire, or other casualty, District shall promptly deliver to City notice thereof. In such event this Agreement shall remain in full force and effect, and the parties shall use all insurance proceeds to promptly repair the damage or destruction and restore the Premises to substantially that condition existing immediately prior to such damage or destruction. In the event that the Fire Apparatus/Equipment shall be damaged or destroyed by fire, collision or other casualty, District shall promptly deliver to City notice thereof and the parties will cooperate to timely submit all such claims to the insurance carrier which provides coverage as required under Section 15, hereof.

**17. Termination.** This Agreement shall terminate upon the withdrawal of the City of Ammon from the Fire District in accordance with Idaho Code, Section 31-1429. In such event, the parties agree to act in good faith to restore the City to a position to operate an adequate Fire Department as may be required at the time of such Termination.

**18. Hazardous and Toxic Conditions.**

**18.1 City's Warranties.** City warrants and represents that the Premises do not contain any material classified as toxic or hazardous under applicable federal, state and local laws, ordinances and requirements of governmental authorities with competent jurisdiction, except as disclosed on Exhibit "E" hereto. If a toxic or hazardous condition not caused by District is discovered on the Premises, then (i) City shall: (a) promptly give District written notice of such condition; and (b) immediately cause such toxic or hazardous condition to be cleaned up and brought into compliance

with applicable laws, ordinances and requirements of governmental authorities with competent jurisdiction and, (ii) City agrees to indemnify District pursuant to the provisions of Section 21 hereof against any losses incurred by District arising out of any such newly discovered toxic or hazardous condition and/or arising out of any condition disclosed on Exhibit "E" and/or existing on the date of execution of this Agreement by both parties.

**18.2 District's Duty.** If a toxic or hazardous condition is discovered on the Premises and is caused by District, then (i) District shall: (a) promptly give City written notice of such condition; and (b) immediately cause such toxic or hazardous condition to be cleaned up and brought into compliance with applicable laws, ordinances and requirements of governmental authorities with competent jurisdiction and, (ii) District agrees to indemnify City pursuant to the provisions of Section 21 hereof against any losses as defined in incurred by City arising out of any such District-caused toxic or hazardous condition.

**18.3 District's Warranties.** District covenants and agrees that it shall not conduct hazardous activities or operations on or about the Premises or store or handle liquids or materials hazardous to human health or to the environment on or about the Premises except materials in transit, which are customarily transferred or handled in District's business. At all times during the Term, District shall exonerate, protect, defend, indemnify and hold City harmless from and against any and all losses, damages, claims, suits or actions, judgments and costs, including reasonable attorneys fees, arising out of District's breach of the covenant set forth in this Section.

**19. Notices; Computation of Time.** For the purposes of all other notices and communications between the parties, the addresses of City and District shall be as follows:

City: City of Ammon  
2135 South Ammon Rd.  
Ammon, Idaho 83406

District: c/o Cooper Norman, CPA  
1000 Riverwalk Drive, Suite 100  
Idaho Falls, Idaho 83402

**20. Inspection and Other Fees.** Unless otherwise agreed by the parties in writing, during the term of this Agreement the City will collect and account for all fees relating to fire inspections, plan reviews, burn permits, and the Knox box system and other related fees. At least annually the City shall account to the District for all such receipted fees and will distribute to the District the amount collected less a sum equal to 10 per cent (10%) of the collected fees which the City may retain for reimbursement of the cost of fee collection, at least annually.

**21. Dispatch and Dispatch Maintenance.** During the term of this Agreement the District shall have the responsibility to provide or arrange for, at its own cost and expense, a 911 or similar

dispatch service for fire protection services. The parties acknowledge that the City currently has in place an agreement for fire and law enforcement dispatch. During all times that the District uses the dispatch services provided by the City's contract, the District shall reimburse the City for the portion of such contract relating to fire dispatch.

## **22. Dispute Resolution.**

**22.1 Good Faith.** The parties shall attempt in good faith to resolve any controversy arising out of or relating to this Agreement promptly by negotiations between authorized representatives of the parties begun by written notice from one party to the other.

**22.2 Mediation.** If the controversy has not been resolved within thirty days of the date of written notice thereof under subsection 1, either party may initiate mediation of the controversy or claim in accordance with American Arbitration Association Real Estate Industry Mediation Rules.

**23. Attorney Fees.** If suit or action is instituted in connection with any controversy arising out of this Agreement, the prevailing party shall be entitled to recover in addition to costs such sum as the court may adjudge reasonable as attorney fees at trial, on petition for review, and on appeal.

## **24. Miscellaneous.**

**24.1 Entire Agreement.** This Agreement and the respective authorizing resolutions issued by the City and the District: (i) contain the entire agreement between the parties and no promise, representation, warranty, covenant, agreement, or understanding not specifically set forth in this Agreement or the authorizing resolutions, shall be binding upon either party; (ii) may not be amended, modified, or supplemented in any manner except in writing signed by the parties; (iii) shall be construed and governed under the laws of the state where the Premises are located; (iv) shall not be construed more stringently in favor of one party against the other regardless of which party has prepared the same; (v) shall be binding upon, and inure to the benefit of, the parties and their respective heirs, executors, administrators, personal and legal representatives, successors, and permitted assigns; (vi) shall not be binding until this Agreement shall be executed and delivered by the parties, to each other; and (vii) may be executed in counter parts, each of which shall be deemed an original, but which all together constitute the same instrument.

**24.2 Authorization of Parties.** Any person executing this Agreement on behalf of either party represents and warrants that such person is authorized to execute and deliver this Agreement on behalf of the entity.

**24.3 Exhibits.** The exhibits attached hereto are incorporated herein by this reference.

**24.4 Headings.** Headings are for convenience only and are not a part of this Agreement.

**24.5 Invalidity of Terms.** The invalidity or unenforceability of any term or provision shall not affect the validity or enforceability of the remainder of this Agreement.

**24.6 Additional Requirements.** The parties agree to obtain, execute, deliver, and file such additional documents, instruments, and consents as may be reasonably requested by either party, at the sole cost and expense of the requesting party, in order to fully effectuate the terms and conditions of this Agreement.

**24.7 Mutual Aid Agreements.** The District shall assume the performance of the Mutual Aid Agreements with other entities as shown on the attached Exhibit "F".

**24.8 New Station.** During the term of this Agreement the parties agree to work co-operatively to provide an additional fire station located east of 52nd Street.

**24.9 Fire Codes.** During the term of this Agreement the District shall adopt and comply with the International Fire Code and the International Wildland Urban Interface Code.

**25.9 Fire Personnel Employment.** On the effective date of this Agreement the District shall offer employment to the City's current fire fighting, rescue and administrative personnel with equivalent compensation, benefits, job descriptions and subject to the rules and personnel policies as are currently in place with the City. Such employment shall be for a term of four (4) years from the effective date of this Agreement and shall further be subject to the right of the District to terminate any employee "for cause". For purposes of this Agreement and any such employment relationship the term "cause" shall include the definition as contained in the attached Exhibit "G".

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed by each of their respective authorized representatives effective as of the date referred to in the Preamble hereof.
